

# Thinking is FUN!

## Holiday Workshops

Our experienced teachers will guide workshop participants through a selection of useful and highly applicable analytical thinking skills™, all in a fun and interactive environment filled fascinating and stimulating intellectual games and activities.

A LogicMills® holiday workshop includes:

- ✓ Plenty of hands-on activities and thinking games
- ✓ Pick up thinking skills from logical problem-solving to cost-benefit assessments in a stress-free environment
- ✓ Teamwork, cooperation and socialisation with their peers
- ✓ Intellectual stimulation through a fun and engaging process
- ✓ **FUN!** (We just cannot emphasise this enough!)

LogicMills® is the pioneer in teaching Analytical Thinking Skills™.

The LogicMills® method brings out a child's natural curiosity and desire to learn because we make the learning process so enjoyable!

# Workshop Choices

---

## **Language and Reasoning (7-12 yrs)**

The Language and Reasoning workshop introduces students to the underlying logic present in all forms of language. Students learn how words are formed, how to predict the meanings of novel language, find essential elements of words and concepts to evaluate definitions and how background information contributes to both basic and subtle communication. Students will gain a heightened awareness of these linguistic and rational processes, enabling them to become precise, intelligent users of Standard English.

## **Memory Building Blocks (7-12 yrs)**

The skill of memorising is more than simple recall. Participants will be shown how best to translate ideas and concepts into simple pictures to allow the brain to better remember, retain and recall. Equipped with this skill, participants will find it easier to understand and recall information in school by learning how to organise and categorise information into similar categories congruent with our cognitive faculties of processing and association.

## **The Art of Strategy (7-12 yrs)**

Participants will be introduced to several established frameworks of strategic thinking that have roots in multiple intelligences and multiple subject domains. These tools include S.W.O.T. (Strengths, Weaknesses, Opportunities and Threats) and cost-benefit analysis. At the end of the workshop, participants will be able to make strategic connections between English, Science and Mathematics.

## **Building Logical Minds (7-12 yrs)**

This workshop covers deductive & inductive reasoning. Both are used in research to establish hypotheses. Deductive reasoning arrives at a specific conclusion based on generalisations while inductive reasoning takes events and makes generalisations. Participants will be able to understand heuristics by drawing abstract guidelines from an analysis of concrete situations, and learn to distinguish between the two types of reasoning, which is applicable to Maths vs. Science and word problems.

## **Pre-School Prep! (4-6 yrs)**

An introduction to basic thinking dynamics, from simple deduction to cost-benefit analysis. We also focus on social dynamics – how to learn best in a classroom setting with other children, how to learn from others and learn by teaching other children, as well as why listening is important.

# Workshop Schedule

---

Available from **1 – 23 June 2009**.

	Mon	Tue	Wed	Thu	Fri
	1	2	3	4	5
Bugis	L&R (Pt 1) (AM)	L&R (Pt 2) (AM)			
Simei			L&R (Pt 2) (PM)	L&R (Pt 2) (PM)	
	8	9	10	11	12
Bugis	AOS (Pt 1) (AM)	AOS (Pt 2) (AM)			
Simei	PS (Pt 1) (AM)	PS (Pt 2) (AM)	AOS (Pt 1) (PM)	AOS (Pt 2) (PM)	
	15	16	17	18	19
Bugis	MBB (Pt 1) (AM)	MBB (Pt 2) (AM)			
Simei	PS (Pt 1) (AM)	PS (Pt 2) (AM)	MBB (Pt 1) (AM)	MBB (Pt 2) (AM)	
	22	23	24	25	26
Bugis	BLM (Pt 1) (AM)	BLM (Pt 2) (AM)			
Simei			BLM (Pt 1) (AM)	BLM (Pt 2) (AM)	

WORKSHOPS FOR 7–12 YRS: (MBB) Memory Building Blocks™  
 (AOS) Art of Strategy™  
 (L&R) Language & Reasoning™  
 (BLM) Building Logical Minds™

WORKSHOPS FOR 4–6 YRS: (PS) Pre-school Prep™

WORKSHOP DURATION: Workshop run for 2 days x 3 hrs, from  
 9.30am to 12.30pm (AM) OR  
 2.30 to 5.30pm (PM).

## Fees and Discounts

---

Fees: \$128 (incl. GST)

### Offers

Early bird: 5% off if you sign up before 15 May 2009.

Group discount: 5% off if you sign up with 1 other friend.  
10% off if you sign up in a group of 3 or more.

Existing LogicMills students: 5% off any workshop.

## Workshop Locations

---

Workshops are available at:

### **BUGIS**

155B Bugis Village, Rochor Road, Singapore 188430

Tel: 6883-2171 | Email: [info@logicmills.com](mailto:info@logicmills.com)

### **SIMEI**

3 Simei Street 6, #06-06 East Point Mall, Singapore 528833 (Josiah Montessori)

Tel: 6260-1312 | Email: [info@logicmills.com](mailto:info@logicmills.com)
